

Abstract Submission Guideline for Authors – 3MT COMPETITION

The authors are requested to adhere to the guidelines for submitting Abstracts to the ICOME 2023. The deadline for paper submission is available on the ICOME 2023 website. Early submission is encouraged as it helps us to manage the review process in a timely manner.

Active PhD/MPhil/DBA candidates who have successfully passed their confirmation milestone (including candidates whose thesis is under submission) can submit their working papers to the 3MT Competition. Please note that paper submission guidelines should strictly be followed by authors. Author(s) should affirm that the material has not published previously.

Submission Guidelines

- Submission of an Abstract is mandatory.
- The supervisor consent form is mandatory indicating the completed milestones when submitting the Abstract.
- Author/s can publish their original work, which were not published previously.
- All Abstracts must be in English.
- Abstracts should be submitted electronically via CMT System.
